

How To Afford The Cost Of A College Education Without Going Broke

Michigan based college financial planning expert hosts an online web-based session aimed at helping families to reduce the cost of a college education without changing their current lifestyle or blowing out their other financial priorities.

Date Released: 08/23/2007

Lake Orion, Michigan: August 22, 2007: If you are a parent that has a student ready to go to college in the near future and are concerned about how you will pay for the education without impacting your current lifestyle and devastating your retirement dreams, there will be a FREE informational webinar conducted on Friday, August 31, 2007 sponsored by Strategic College Solutions, LLC and Innovative Wealth Strategies, LLC. The workshop is entitled "How To Afford The Cost Of A College Education Without Going Broke".

Some of the ideas that you will learn are:

- Who we work with and what problems we solve.
- What is your situation?
- What you can expect?
- How are you going to fund college?
- If you own your own business or run a part-time business from your home, learn how to DEDUCT COLLEGE EXPENSES off your income taxes thanks to the IRS.
- If you have NO MONEY LEFT OVER AT THE END OF THE MONTH AND NO SAVINGS, learn how to pay for college without any more out-of-pocket expense than you are spending now – pay off your mortgage in half the time – and save thousands of extra dollars for your retirement.
- Real life examples
